

Oakdale

Today's most stylish white woodgrain window

This fully sculptured Rustique 2 profile, exclusive to John Fredericks, is designed to appeal to a different type of customer. Perfect for the more traditional home, it is certain to bring you more business.

Fabricated windows and doors available from stock

Single leg bead makes glazing easy. One click and the job's done

Internally glazed, with shootbolt locking and hinge bolts as standard

Fully factory glazed option - including face fixed authentic foiled Georgian bar

All the advantages of PVC with an attractive timber finish

Nationwide delivery using our own fleet

A superb addition to the high performing Ultimate Collection from John Fredericks

Also available in Cream and Black Foil Finishes.
